

EXPRESSIONS

ANYTHING BUT

1. We went to see that new action film on Thursday night and it was **anything but** good, in fact, I fell asleep.

2. My daughter was **anything but** a sound sleeper, she kept me awake all night most of the first year.

3. He has no idea about money. He said it would be a cheap holiday; it turned out to be **anything but**.

4. The new boss was **anything but** charming when I met him.

5. Our meeting schedule is **anything but** definite.
