WHAT A MESS!

WIFE:

What a mess! Let's clean the house before it gets worse.

HUSBAND:

Yeah! Let's clean it up. I can put the dishes away and wipe off the counter.

WIFE:

And the garbage is full. Could you take it out?

HUSBAND:

Sure. No problem.

WIFE:

And you know, our bedroom is a mess, too. Your clothes are all over the floor. Would you pick them up, please?

HUSBAND:

Sure. Sorry about that.

WIFE:

And then hang them up in the closet?

HUSBAND:

OK, but what are YOU going to do?
