MARIO
GARCÍA

Biography

Mario was born in Mexico.

He grew up in a small village.

**He began school when
he was six years old.**

**He went to elementary
school, but he didn't go to
high school.**

**His family was very poor and
he had to go to work when
he was thirteen years old.**

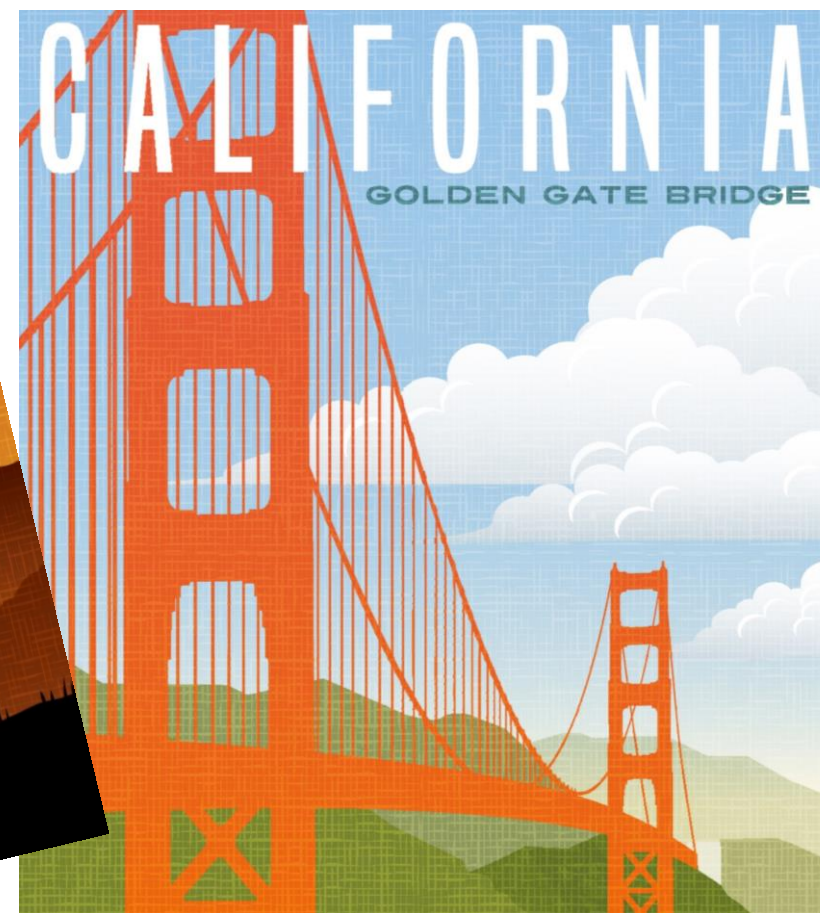

**He worked on an assembly
line in a shoe factory.**

**When he was seventeen
years old his family moved to
the United States.**

**First they lived in Texas, and
then they moved to San
Francisco.**

**When Mario arrived in the
United States, he wasn't very
happy.**

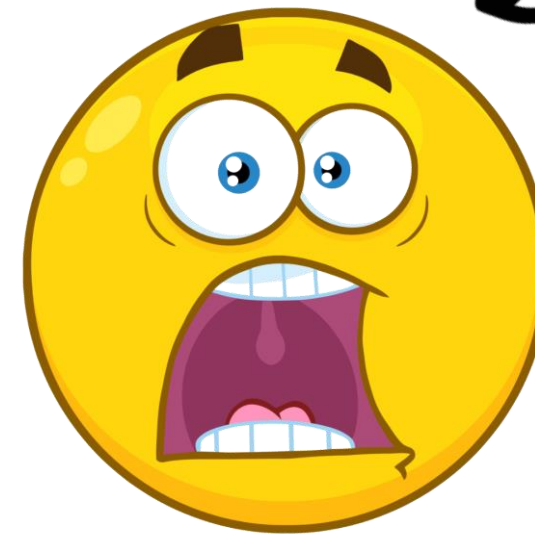

He missed his friends back in Mexico, and he didn't speak one word of English.

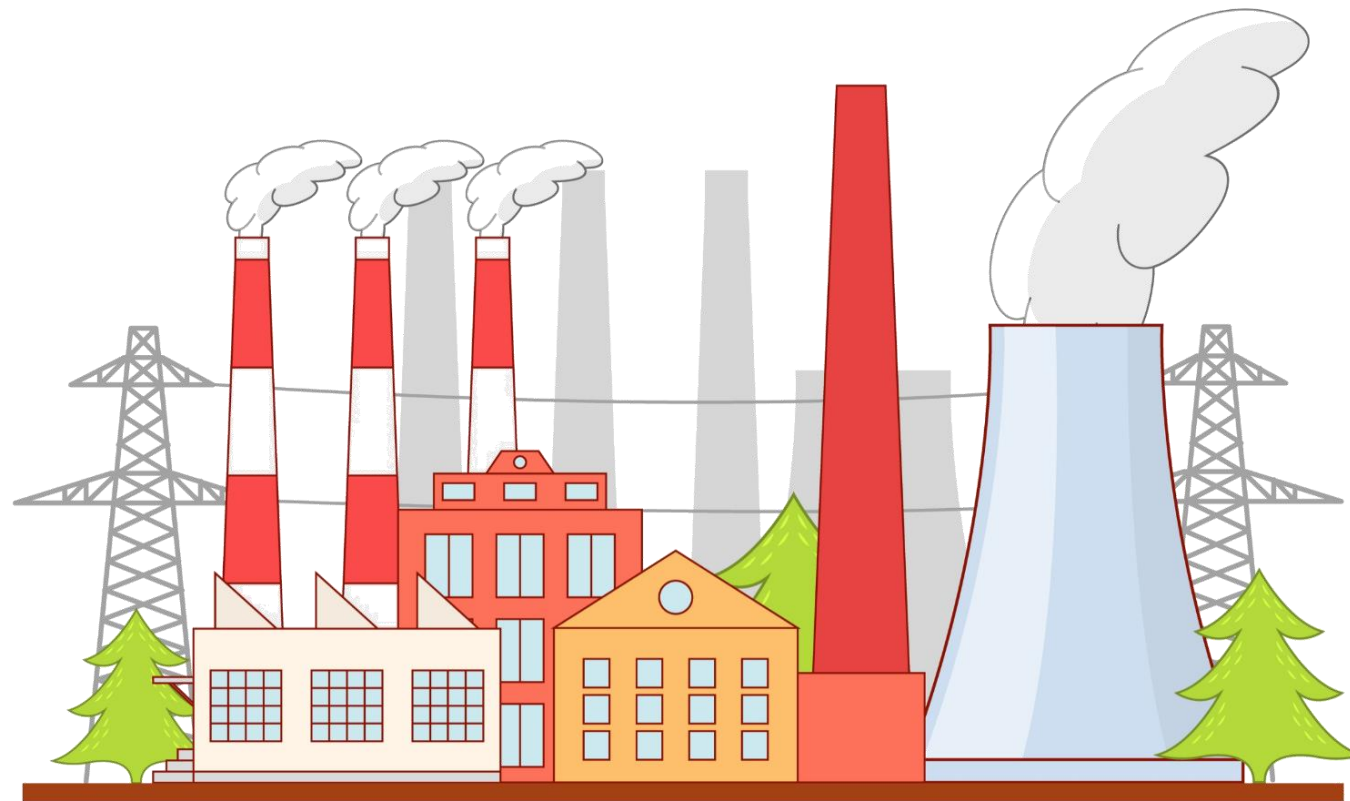

How are you, Mario?

No, gracias.

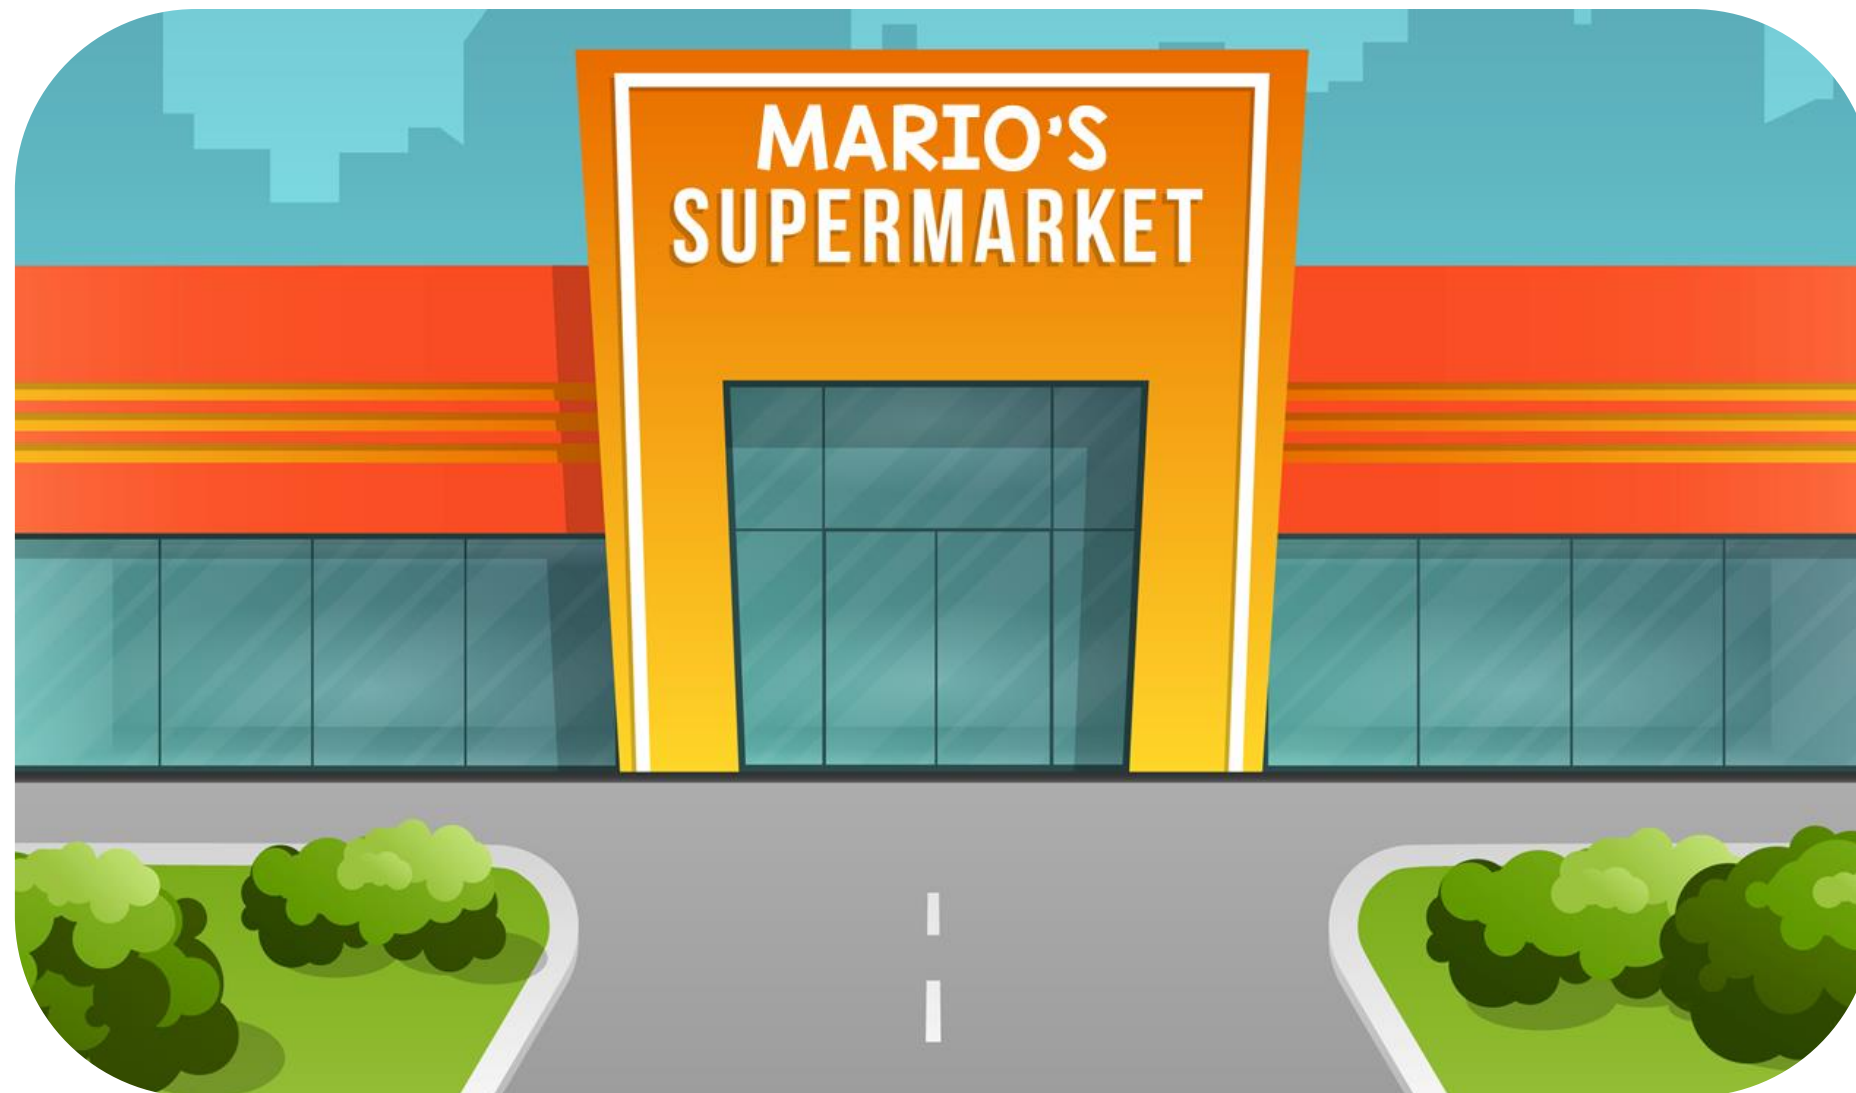

He began to study English at night, and he worked in a factory during the day.

Mario studied very hard. He learned English, and he got a good job as a supermarket manager.

Mario is working overtime and saving money. He wants his own supermarket.

Mario still misses his friends back home, but he communicates with them very often.

**He's very happy now, and he's
looking forward to an exciting
future.**

LIVE

I live in the U.S.
He lives in the U.S.
