

THE BIG GAME

First Conditional Using Will and Might

Tommy loves basketball and there's a big game tonight that he wants to watch, but he knows he shouldn't.

If he watches the game, he'll stay up really late.

If he stays up really late, he might miss his early morning class.

If he misses his early morning class, he won't understand the next homework assignment.

If he doesn't understand the next homework assignment, he'll get a bad grade.

If he gets a bad grade, it might affect his overall GPA.

If his GPA drops, he might not get into the college of his dreams.

So, even though Tommy really wants to watch the big game tonight, he chooses to record it and watch it later.
