CONVERSATION: PACKING TIPS

Emily:
Hey, Alex, have you started packing for our trip yet?

Alex:
Not yet, but I'm about to. How about you?

Emily:
I'm almost done. But I'm a bit confused about the baggage allowance. Do you remember the weight limits?

Alex:
The airline's website says we can have one checked bag up to 23 kg and a carry-on bag up to 7 kg. Plus, a small personal item like a purse or a laptop bag.

Emily:
Got it. I'll make sure to weigh my luggage to avoid any extra fees.

Alex:
Good idea. I'm trying to decide what to pack in my carry-on. Any suggestions?

Emily:
Well, I always pack essential items in my carry-on, like medication, a set of clothes, and any valuables.

Alex:
That's smart. I'll also add some snacks and entertainment for the flight.

Emily:
Don't forget your headphones and a book or something to keep you busy.

Alex:
For sure. Do you know if there are any restrictions on liquids?

Emily:
You can only bring liquids in containers up to 100 ml, and they should all fit in a single quart-sized plastic bag.

Alex:
Good to know. I'll make sure to pack my toiletries accordingly.

Emily:
Right, and be cautious with sharp objects. No scissors or nail clippers in the carry-on.

Alex:
Got it. So, I'll put those in my checked bag.

Emily:
Exactly. Anything else you're unsure about?

Alex:
Nope, I think that covers it. I'll go start packing now.
